

# Making Virtual Work™

**Got Virtual Workers?** Business results on track? How's productivity, teamwork, communication, trust, engagement, employee satisfaction, hidden costs?

Managing and teaming in a virtual environment is tough work. Those who succeed recognize that leading, managing, and teaming in a virtual world requires new skills and behaviors.

Corinne Miller

Save time, money, and frustration. Learn from someone with over 20 years of experience as a leader and manager of a virtual workforce, and virtual team member across many functions; an award-winning instructor who has taught hundreds; and someone who stays on top of the latest research.

Join Corinne Miller on a highly engaging webinar series; and/or an action-oriented and inspiring classroom session. Mix and match virtual, classroom, or coaching sessions to meet your business needs and constraints.
